

REPLACEMENT DOUBLE CV DRIVELINES FOR MOWER CONDITIONERS

Weasler[®]

PROVIDING BETTER SOLUTIONS

What sets Weasler double CV drivelines apart:

- LONGER LIFE: Hardened Spline Shafting
- E-KITS: More durability and longer grease intervals
- EQUAL ARM CV: Compact design - easier to handle
- NO MODIFICATION: Ready to run
 - No need to cut-to-length (unlike other Aftermarket options)
 - Design optimizes compressed and extended lengths
- PATENTED: Easy Lock Guarding
- MULTIPLE MODELS: 3 drivelines cover 5 brands and 7 models

COMPATIBLE WITH:

HESSTON

CASE IH

CNH

MASSEY

NEW IDEA

COMBATIBILITY CHART

MANUFACTURER	MODEL #	FULL OR HALF DRIVELINE	SPLINE INFO	WEASLER STOCK #
AGCO HESSTON	1340, 1345	Full Driveline	1 3/8" - 21 spline x 1 1/2" round with 3/8" K-Way	14656849
		Half Driveline - Machine *	1 1/2" round with 3/8" K-way	82-14656849
		Half Driveline - Tractor *	1 3/8" - 21 spline	83-14656849
CASE IH	8312	Full Driveline	1 3/8" - 21 spline x 1 1/2" round with 3/8" K-Way	14656849
		Half Driveline - Machine *	1 1/2" Round with 3/8" K-way	82-14656849
		Half Driveline - Tractor *	1 3/8" - 21 spline	83-14656849
	DC132	Full Driveline	1 3/8" - 21 spline x 1 1/2" - 23 spline	14656853
		Full Driveline	1 3/4" - 20 spline x 1 1/2" - 23 spline	14756853
		Half Driveline - Machine *	1 1/2" - 23 spline	82-14656853
		Half Driveline - Tractor *	1 3/8" - 21 spline	83-14656853
		Half Driveline - Tractor *	1 3/4" - 20 spline	83-14756853
		Half Driveline - Tractor *	1 3/4" - 20 spline	83-14756853
CNH	1431	Full Driveline	1 3/8" - 21 spline x 1 1/2" - 23 spline	14656853
		Full Driveline	1 3/4" - 20 spline x 1 1/2" - 23 spline	14756853
		Half Driveline - Machine *	1 1/2" - 23 spline	82-14656853
		Half Driveline - Tractor *	1 3/8" - 21 spline	83-14656853
		Half Driveline - Tractor *	1 3/4" - 20 spline	83-14756853
MASSEY FERGUSON	PTD12	Full Driveline	1 3/8" - 21 spline x 1 1/2" round with 3/8" K-Way	14656849
		Half Driveline - Machine *	1 1/2" round with 3/8" K-way	82-14656849
		Half Driveline - Tractor *	1 3/8" - 21 spline	83-14656849
NEW IDEA	5512	Full Driveline	1 3/8" - 21 spline x 1 1/2" round with 3/8" K-Way	14656849
		Half Driveline - Machine *	1 1/2" round with 3/8" K-way	82-14656849
		Half Driveline - Tractor *	1 3/8" - 21 spline	83-14656849

* Complete shield is provided when ordering half drivelines

Weasler®

vs. OTHERS

FEATURE	BENEFIT	FEATURE	DIFFERENCE
Heat Treated 1 11/16" Spline Shafting	<ul style="list-style-type: none"> - Longer Life - Lower thrust loading - 20 splines - Easier to lubricate 	STAR Shaped Telescoping Members	<ul style="list-style-type: none"> - Only 6 points of contact to handle torque/thrust - Lubrication difficult, prone to galling
Cross & Bearing E-Kits	<ul style="list-style-type: none"> - Extended lubrication cycle - 50 hour greasing interval - Triple lip seal 	Standard Cross & Bearing	<ul style="list-style-type: none"> - Frequent lubrication required (8 hours)
Equal Arm Design	<ul style="list-style-type: none"> - Easier to handle - Compact design - Less weight 	Standard European Center Housing	<ul style="list-style-type: none"> - Difficult to handle - Bulky and heavy
Completely enclosed	<ul style="list-style-type: none"> - Keeps lubrication inside at ball & socket - Keeps contaminants out 	Conventional European OPEN CV Center Housing	<ul style="list-style-type: none"> - Grease flies out (centrifugal force) - Contamination destroys exposed ball and tube
